ORDER

Adopted: January 22, 2003

Released: January 23, 2003

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration a Request for Review filed by Boardman Local Schools (Boardman).¹ Boardman requests review of a decision by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator).² For the reasons set forth below, we deny the Request for Review.

2. In its decision, SLD stated that Block 6, Item 34 of Boardman's Form 471 did not contain an authorized signature.³ The application was rejected for failing to meet minimum processing standards and returned to the applicant without being processed. Boardman argues that SLD should be reversed because Boardman's error was only "clerical." Boardman also states that when it resubmitted its application with the required signature, it did not attempt to make adjustments or corrections to its application, thus accepting its application after the filing window had closed would not "eliminate any incentive to comply with SLD's document

demands.”⁴ Consistent with our precedent in the *South Barber* and *Davis City Orders* we conclude that SLD’s decision is supported by precedent and the underlying record.⁵

3. Further, construing Boardman’s argument as a request for a waiver, we find that a waiver is not appropriate. A waiver from the Commission is appropriate if special circumstances warrant a deviation from the general rule, and such deviation would better serve the public interest than strict adherence to the general rule.⁶ Boardman’s reason is not a special circumstance warranting a waiver of the filing window.⁷ Therefore, we affirm SLD and deny the Request for Review.

4. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, 1.3, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3, and 54.722(a), that the Request for Review filed by Boardman Local Schools, Youngstown, Ohio, on July 31, 2002, IS DENIED.
